## **ACM Medical Laboratory Names Executive Director of Human Resources**

**ROCHESTER, N.Y. (May 5, 2014)** – ACM Medical Laboratory, Inc., a division of Unity Health System, is pleased to announce that Terri J. Snider has joined ACM as Executive Director, Human Resources. Terri will be responsible for the development of and successful implementation of the company’s human resources strategy, and will serve as a business partner to the senior leadership team of ACM.

Terri comes to ACM following a very successful career spanning more than two decades with Bausch + Lomb, Inc., in Rochester, New York. Most recently, Terri was Director, Human Resources – Global Quality & Operations at B+L, but Terri also held positions managing employee relations and diversity initiatives, global talent management, human resources operations, recruitment and training efforts.

A Rochester resident, Terri graduated from the University of Buffalo with a B.A. in Communications, and earned a Master’s degree in Human Resources Development from the Rochester Institute of Technology.

“We are delighted to have Terri join the senior management team of ACM. She brings tremendous knowledge and experience in developing HR solutions that support highly effective business teams,” said Angela J. Panzarella, President of ACM. “She has hit the ground running and I’m excited to watch her contribute to the continued growth of ACM.”
